# BULAGGI

*the Bag* 

## **Celebrating 50 years of colourful experiences**

BULAGGI, famous for bags featuring colourful prints and fine details, will be celebrating its 50th anniversary in 2019. To mark this special occasion, the BULAGGI team is delighted to present the Celebrate collection 2019.

BULAGGI just loves colour and is known for celebrating life in a colourful way via its distinctive and contemporary style. This is something which is also clearly expressed in this new Celebrate collection. As usual, BULAGGI has opted for a rich variety of materials, all bags featuring opulent finishing touches, ranging from tassels to zips. The new prints, specially designed for this collection, are one of a kind. See Annemarieke on page 30/31.

## **Irresistible dissonance and a wide range of colours BULAGGI's Autumn | Winter 2019-2020 collection**

With this new collection, BULAGGI is perfectly in line with the multi-faceted colour trends of 2019, whilst maintaining an overall fashion image determined by a galaxy of hues from warm and timeless cognac to daring pink and yellow. Materials range from soft faux fur to sturdy lacquer. Anything goes in 2019. Fashion image is determined by the manner in which women choose to combine these trends, and presenting the BULAGGI 2019-2020 Autumn | Winter collection will undoubtedly rime with enriching your sales offer and making your displays far more appealing. Did you know that you can replenish your BULAGGI stock in-season? We are a stockholding supplier and therefore able to **supply within a few days.**

*'I am immensely proud of where we are today with the BULAGGI brand. Obviously, I have watched the business grow and flourish since I was a child, and I have BULAGGI in my DNA. Together with my team I am building on a brand that is going to continue to make the life of our female fans colourful for the next 50 years too. And who knows, one of my own daughters may be at the helm of the company one day.'* Annemarieke Schouten-Walraven, BULAGGI owner and designer.

# LET'S INTRODUCE our 'Celebration' ladies

Celebrating 50 years BULAGGI was founded on the 30th of May, 1969, by Wim and Trix Walraven. In the 50 years since then BULAGGI has grown into the respected family-owned business that it is today, and Annemarieke Schouten-Walraven has been at the helm of the company since 2017. BULAGGI's head office and showroom are still domiciled in Hilversum, and it is from there that Annemarieke and her close-knit team serve the whole of the European market.

The warmth and intense passion for the brand can be felt throughout the business, and it is no coincidence that the elements of the Celebrate collection have been named for the female members of the team (from left to right): Lobke (design), Beatrix (co-founder), Mirjam (sales NL), Elise (e-commerce), Annemarieke (director-owner), Marcella (marketing & communication), Sabrina (sales & export).
