# ***SKECHERS D'LITES***

Skechers USA wurde 1992 in Manhattan Beach, Kalifornien, gegründet und ist mittlerweile in über 170 Ländern der Welt vertreten.

Skechers steht für sportliche, komfortable Styles und vielseitige Kollektionen! Die Brandbreite reicht von Trainingsschuhen, modischen Freizeitsneakern bis hin zu Chunky Sneakern. Ein hoher Anspruch an Lifestyle und Performance zeichnet die Damen, Herren und Kinder Kollektion von Skechers aus.

Der typische Skechers Fingerprint, bestehend aus einer Mischung aus Komfort/Leichtigkeit, Funktion und Style durchzieht die unterschiedlichen Kategorien. Die Air Cooled Memory Foam Einlegesohle ist in fast allen Modellen integriert und sorgt für einen besonders hohen Tragekomfort. Vielseitige Styles in gedeckten Tönen bis knalligen Farben halten für jeden Geschmack einen passenden Sneaker bereit.

Besonders modisch und im Trendsegment etabliert ist der Heritage Sneaker, Skechers D'Lites. Er erscheint mittlerweile in der 3. Version mit einer besonders wolkigen Sohle. Zuletzt wurde die D'Lites Kollektion auf dem Runway der MBFW in Berlin, sowie von Influencern und Trendmagazinen weltweit gefeiert. Die Trend-Kollektion umfasst sowohl Restrostyles, unisex Dad-Sneaker als auch futuristisch-anmutende Sneaker. Hauptmerkmale dieser Kollektion sind, neben der markanten Sohle, die bunte Farbpalette von dezent bis pastellfarben, sowie starke Kontraste in neonfarben oder color-blocking. Die Auswahl lässt keine Wünsche offen.

***NOTIZEN:***

A series of 13 horizontal grey bars, stacked vertically, representing a ruled area for notes. Each bar is of uniform height and width, spanning most of the page's width. The bars are separated by thin white gaps, creating a series of horizontal lines for writing.
