FIRST COME FIRST SERVE!

SKECHERS SANDALS SS19

Die Sandalen-Kollektion von Skechers ist nicht weniger vielseitig und abwechslungsreich als die Sneaker-Kollektion. Für jede Altersklasse und jeden Geschmack hält Skechers ein passendes Modell bereit!

Skechers Cali, benannt nach dem Bundesstaat Kalifornien, in dem Skechers einst gegründet wurde, ist die umfangreichste Sandalen Kollektion. Das Cali-Sortiment schmückt sich mit verspielten Details, wie Schmucksteine, dekorativen Ziernähte oder Obermaterialien in einer Metallic-Optik. Zehentrenner-Sandalen mit und ohne Keilabsatz, Sandalen zum Hineinschlüpfen mit Riemen, sowie legere Sandalen, umfassen diese Kollektion, ebenso wie Farben in Naturtönen, bunten Nuancen, sowie Pastelltönen. Alle Cali-Sandalen sind mit einem bequemen Fußbett ausgestattet.

Mit der Skechers Bobs Desert Kiss Sandale hat Frau den idealen Weggefährten für warme Sommertage. Ob zum Kleid, der kurzen Hose oder einem Rock - die Riemensandale mit Memory Foam Fußbett im Taupe-Ton macht zu jedem Look eine gute Figur.

Besonders bequem und sportlich ist die Skechers On-The-Go Sandalen-Kollektion. Weiches Obermaterial aus Mesh und einem dezenten Muster-Mix als Riemen-Sandale, Zehentrenner oder zum Hineinschlüpfen bieten eine breite Auswahl. Höchster Komfort wird durch ein geformtes Fußbett mit GOga Max Technologie gewährleistet.

Für echte Trendsetter bieten die D´Lites Sandalen an warmen Sommertagen die beste Alternative zu den gleichnamigen Sneakern. Obermaterialien aus Webstoff und Neopren, verstellbare Riemen, ein Fußbett aus Yoga-Foam Dämpfung und die typische D´Lites Zwischensohle sorgen für ein angenehmes Tragegefühl und einen ebenso stylischen Look. Klassische Farben wie weiß oder schwarz sind die perfekte Ergänzung zu jedem Outfit.

NOTIZEN:

A series of 13 horizontal grey bars, stacked vertically, representing a ruled area for notes. Each bar is of uniform height and width, spanning most of the page's width. The bars are separated by thin white gaps, creating a series of horizontal lines for writing.
