### **The beauty of nature**

In an era in which an outfit is not so much a look but more an expression of identity, BULAGGI launches the supremely balanced Spring | Summer 2018 collection to underline the personality of every woman. In complete harmony with the trends of the season – new romance, primary colours and shapes, feminine and floral aspects – our designers have given free rein to their fantasy in the themes '**Hidden Treasures**', '**Deep Water**' and '**Exotic Sweets**'.

The bags in this collection are with minimalist lines, fluid shapes plus classic silhouettes and of course all bags have the look & feel of affordable luxury. Superior quality, rich combinations of different materials plus unique detailing and vibrant colours make each bag in this collection an absolute must-have!
