FJ/Sommer 2021

## THE SHOE THAT MOVES YOU.

UYN Shoes sind eine **Revolution** – die wohl technologisch fortschrittlichsten Schuhe, die jemals entwickelt wurden.

Ihre Entwicklung folgte nur einem einzigartigen Ziel: Freiheit spürbar machen, bei jedem Schritt, bei jeder Bewegung.

Dabei entstand etwas bisher noch **nie Dagewesenes**. Ein Schuh, der Stabilität und Flexibilität perfekt kombiniert.

Ein Gefühl von Natur mitten in der Stadt. **Höchste Qualität** ohne Ressourcenverschwendung.

Ein neuer Schuh, funktional und nachhaltig, zeitgemäß und trendsetzend, **patentiert** und **ausgezeichnet**.

### Unsere Vorteile auf einen Blick:

- Jeder UYN Schuh wird mit **100% Merinowolle auf der Innenseite** gefertigt und kann barfuß getragen werden.
- **Gefertigt aus einem Stück**, somit Null Materialverschnitt, reduziert auf das Wesentliche (Seamless-Technologie)
- **Antibakteriell** – weich, warm und geruchshemmend
- **Wasserfest** – ohne Einsatz einer Membrane und trotzdem extrem atmungsaktiv
- Ultraleicht ab 200 Gramm
- Waschbar bis 30° und ultraschnell trocknend
- Umweltfreundlich, **100 % recyclebar**
- **Made in Italy**
