BULAGGI

the Bag

Elegant, with a rebellious edge
BULAGGI Autumn/Winter collection 2020-2021

Launching their 2020-2021 Autumn/Winter collection, BULAGGI once again proves that there is a perfect bag for every woman. The collection consists of two lines – Elegance & Out-of-the-box – and each line connects with today's fashion image in its own way. On the one hand, there are the serene, minimalist and mainly monochrome looks of the Elegance line, for example, the Peony on page 28. And in contrast, there are the bags with distinctive shapes, outspoken colours and an edge of rebellion to be found in Out-of-the-box, such as the Croc on page 3.

In spite of the contrasts, these two lines blend together to form a well-balanced, mature and affordable collection. Everyday use is the overall starting point in terms of choice of materials, ease of use and appearance.

'All BULAGGI bags are made from high-grade PU and have been approved by PETA as vegan. We have a keen eye for sustainability and our role in the fashion industry. All our bags feature a refined finish, so that women can use and re-use them for a long time. And obviously our passion for colour, comfort and quality is key to each and every collection.'

Annemarieke Schouten-Walraven, owner and designer at BULAGGI.
