APPLE OF EDEN

SHOES FROM PARADISE

Das Trendlabel APPLE OF EDEN ist eine sehr erfolgreiche deutsch-portugiesische Co-Produktion. Dabei verbinden die Kreativen von Apple of Eden ihre langjährige Erfahrung im Shoe Business und ihr untrügliches Gespür für Trends, Farben und Styles mit traditionsreichem portugiesischem Produktions-Know-how.

Wir verfolgen die neuesten Themen aus der Fashion Welt und entwickeln daraus Ideen für die Kollektionen, welche dann direkt in kleineren Schuhmanufakturen in Portugal umgesetzt werden. Ihre schlichten Designs und ihr optimaler Tragekomfort machen die Schuhe von Apple of Eden zu echten „Hinguckern“, die jedes Outfit veredeln.

Qualität spielt für Apple of Eden eine wichtige Rolle. Darum verarbeiten wir in unseren Schuhen ausschließlich ausgesuchte Leder, hochwertige Textilien und andere Materialien, die aus Portugal, Spanien und Italien kommen.

The trend label Apple of Eden is a highly successful German-Portuguese coproduction. Drawing on a wealth of experience in the shoe business, our creative talents combine an unerring instinct for trends, colours and styles with traditional Portuguese craftsmanship.

Our designers analyse the latest fashion trends as a starting point for developing the collections. These are then produced by specialist footwear workshops in Portugal. Signature streamlined design is paired with optimum wearing comfort to make each APPLE OF EDEN shoe a true eye-catcher.

For us, quality excellence plays a key role. Our shoes are crafted only of the finest selected leathers, exclusive fabrics and other materials sourced in Portugal, Spain and Italy.
