# ▶ **CLASSICS - EXPERIENCE** **THE NOTORIOUS SENSATION**

*For our SS23 Classics collection we took a trip down memory lane: It's the early 00s. A decade defined by its constant swinging between glitter and pink. A decade that was defined by iconic girl bands like the Spice Girls that were known for their colorful outfits.*

*We transformed that euphoric desire for a polarizing era and mixed it with the silhouette that took the world by storm - the all-time Buffalo Classic. The results are cheeky colours, glittery uppers and light denim fabrics. The perfect footwear for an iconic 00s red carpet moment.*

# PRODUCT QUALITY

## MADE IN EUROPE

Produced by our partner manufacturers locally in Europe, we are supporting family owned businesses and build trust in long-term relationship.

## REMOVABLE FOAM FOOTBED

The insock can be removed to make room for your own insoles.

## HIGH BREATHABILITY

The product offers high breathability for perfect all day wear.

## PERFECT FIT WITH MEMORY FOAM

Perfect fit thanks to high-tech foam that adapts specifically to your anatomy.

## LIGHT WEIGHT

Exceptionally lightweight construction for perfect wearability all day long.

## UPPER

The upper is made of high-quality leather for optimal comfort and pleasant breathability.

## INSOCK

Insock made of high-quality leather for a comfortable fit and pleasant breathability.

# SUSTAIN- ABILITY

## WITH RECYCLED MATERIALS

We are constantly increasing the share of products containing sustainably sourced materials like pre- and postconsumer recycled rubbers and fabrics.

## WITH WATERBASED MATERIALS

We are constantly increasing the usage of water based materials that are free of chemical solvents, thus consuming up to 95% less water and 50% less carbon emissions.

## FSC

All our consumer packaging bearing the FSC logo is certified by the Forrest Stewardship Council and derived only from responsible sources to protect the forests.

## CLEAN PRODUCTION

We are making sure that our products do not contain harmful or toxic substances and that the legal thresholds are complied with.

## VEGAN

95% of our products bears the PETA APPROVED VEGAN certification. No animal ingredients or additives are used in those products, for a conscious consumer choice that aligns with their values.

## WITH ORGANIC COTTON

All cotton in our products is from organic origin, environmentally friendly and free from pesticides.

## CADS

We are a member of CADS, making sure that our products are made using sustainable methods and fair business practice.

## TRANSPARENCY

All our production partners are audited regularly to make sure that our production complies to socially responsible business practices.
