SPRING-SUMMER

2024

{ ATA-APPROVED
VEGAN }

Welcome to the era of ambivalence, diversity and constant change!

Summer 24 promises to be a season of ultimate extremes, featuring an extravagant yet earthy collection that goes back to nature. Welcome to the era of ambivalence, diversity and constant change! Not only are we experiencing a need for serenity, we also crave spectacle. Both elements are reflected in **BULAGGI's** new 24 Summer Collection

Having the courage to change is the challenge of our time. Our season is one that embraces *joie de vivre* as its creed. Theme-wise, this implies a focus on a smart look, femininity and modified classics. And last but not least, there is a yearning for a great, carefree, post-pandemic party!

BULAGGI is a progressive brand, and with each fresh collection we remain strongly aware of the constantly growing pressure on the environment. This has led to an increasing use of more environmentally-friendly materials, and this explains why our collection of environmentally-friendly bags grows larger every season, and why we are still proud to display the PETA-approved vegan logo. Bulaggi understands what women want and offers a range of affordable, on-trend, high-quality vegan bags with special extras for all occasions: '**DESIRE WITHIN REACH**'.

EDEN PROJECT

There is still a need to slow down, to pay attention and deepen our focus in response to the dynamics in which we remain engulfed; too fast, too superficial and too confusing. The reverence for culture and nature embedded in this theme also inspires the colour palette; a broad spectrum ranging from pristine landscapes to expressive outbursts of vintage elements. In terms of models, we see a mix of traditional basics from all conceivable cultures; for example, the bucket has become a basic. Raffia and straw play a key role within this theme, and we also see vintage aspects and rougher-veined structures.

HELLO HAPPINESS

These pastels say 'yes!' to carefree happiness. The colour range exudes optimism with a sweet 'California beach feeling' alongside poetry and nostalgia. Graphic contrasts from loud to serene are combined with subtlety. Combinations such as DARLENE and ELLA in particular are sure to create a fresh feeling of Happiness. Thanks to their characteristic freshness, the pastel hues avoid naiveté, instead expressing a rather surprising maturity. This is also due to the combination with sparkling white and an Oxford-brown colour that evokes a mature and natural appearance in response to a clear need for simplicity.
