Terms & Conditions/ Shipment Dates

Prices and terms of delivery

The wholesale prices shown are valid for pre-orders for the Winter 2026 season, as well as for regular in-season orders from 01.08.2026 onwards.

Please note that all wholesale prices exclude applicable sales taxes (VAT).

The retail prices quoted are the manufacturer's recommended retail prices (RRP) and include local sales taxes (VAT). Our Terms and Conditions apply.

For deliveries outside Germany, please consult the appropriate price lists and terms of delivery. Please note that the current price list will be superseded and become invalid when a new one is issued.

Pre-order discount

We will grant a pre-order discount according to our current discount scale on pre-orders placed with JACK WOLFSKIN within four weeks of our sales representative presenting the range.

The deadline for acceptance of orders is 31.03.2026.

Pre-orders submitted after this date will only be accepted on a provisional basis and are subject to confirmation.

Delivery Dates

Orders received by the dates listed below qualify for the corresponding product launch or delivery dates at the customer's location. The latest possible delivery date for all orders is 15.12.2026.

Even with the most careful order planning, delays can sometimes occur. It is possible that certain products may not be available on your chosen delivery date, or we may need to decline your order. All orders are subject to availability and will be confirmed no later than the end of the sell-in season.

If there are delays of up to 60 days, we will supply the remaining quantities as soon as they become available.

During this period, if you no longer require specific items that we were unable to supply within days of your chosen delivery date, please inform us in writing.
